

Please take care of Mr. B. He is
(or find him a new home?)
a King Charles Cavalier Spaniel. Six years
old. My parents got divorced and Mr. E
was supposed to go to the pound.

I think he has a better chance
with you. This is my birthday
money for any of his care. He is
used to kids - not other dogs. He's a
good boy. I know God will take
care of Mr. B. - Everyone loves
him... especially me.
Thank you.
